**New Calendar Information**

The rules for school calendars have changed. The calendar is now based on minutes. We have enough minutes in the calendar to insure that we can miss up to two days and not have to use any bad weather days. We do not need to use the bad weather days unless we miss more than two days. If there are more than two days of bad weather, we will then use the bad weather days in the following order: 4/14, 5/26.
