Purchasing Guidelines

**1.0 General Guidelines**

- 1.1 The objective of procurement is to obtain services or to buy materials, supplies, and equipment of the right quality, the right quantity, from the best source, at the best price and in compliance with all applicable legal requirements, thus ensuring taxpayer dollars are well spent.
- 1.2 The purchasing process begins with the identification of goods or services that the district intends to acquire. All purchases must be coordinated with the District's vision, goals, and objectives. The procurement of these goods or services is monitored in the business office. WYLIE ISD certifies that the following purchasing procedures adhere to the guidelines in EDGAR (200.324(c)(2).
- 1.3 The District must use its own documented procurement procedures which reflect applicable State, local, and tribal laws and regulations, provided that the procurements conform to applicable Federal law and the standards identified in this part. (EDGAR (200.318(a))
- 1.4 The District must have written procedures for procurement transactions. These procedures must ensure that all solicitations:
  - 1.4.1 Incorporate a clear and accurate description of the technical requirements for the material, product, or service to be procured. Such description must not, in competitive procurements, contain features which unduly restrict competition. The description may include a statement of the qualitative nature of the material, product or service to be procured and, when necessary, must set forth those minimum essential characteristics and standards to which it must conform if it is to satisfy its intended use. Detailed product specifications should be avoided if at all possible. When it is impractical or uneconomical to make a clear and accurate description of the technical requirements, a "brand name or equivalent" description may be used as a means to define the performance or other salient requirements of procurement. The specific features of the named brand which must be met by offers must be clearly stated; and
  - 1.4.2 Identify all requirements which the bidders must fulfill and all other factors to be used in evaluating bids or proposals. EDGAR 200.319(c)

- 1.5 The District must use one of the following methods of procurement
  - 1.5.1 Procurement by micro-purchases. Procurement by micro-purchase is the acquisition of supplies or services, the aggregate dollar amount of which does not exceed the micro-purchase threshold (§200.67 Micro-purchase). To the extent practicable, the District must distribute micro-purchases equitably among qualified suppliers. Micro-purchases may be awarded without soliciting competitive quotations if the District considers the price to be reasonable
  - 1.5.2 Procurement by small purchase procedures. Small purchase procedures are those relatively simple and informal procurement methods for securing services, supplies, or other property that do not cost more than the Simplified Acquisition Threshold. If small purchase procedures are used, price or rate quotations must be obtained from an adequate number of qualified sources.
  - 1.5.3 Procurement by sealed bids (formal advertising). Bids are publicly solicited and a firm fixed price contract (lump sum or unit price) is awarded to the responsible bidder whose bid, conforming with all the material terms and conditions of the invitation for bids, is the lowest in price. The sealed bid method is the preferred method for procuring construction, if the conditions in paragraph (c)(1) of this section apply.
  - 1.5.4 Procurement by competitive proposals. The technique of competitive proposals is normally conducted with more than one source submitting an offer, and either a fixed price or cost-reimbursement type contract is awarded. It is generally used when conditions are not appropriate for the use of sealed bids. If this method is used, see procedure below.
  - 1.5.5 Procurement by noncompetitive proposals. Procurement by noncompetitive proposals is procurement through solicitation of a proposal from only one source and may be used only when one or more circumstances apply...see procedure below. EDGAR 200.320
- 1.6 The organization director/principal is responsible for all expenditures made from budgets assigned to him/her.
- 1.7 Budget allocations are intended for expenditures for goods and services to be used during the current school year.
- 1.8 Unused budget appropriations lapse at year-end.

## 2.0 Conflict of Interest

This procedure applies to WYLIE ISD, Board, Staff, and Vendors shall abide by a code of ethics as cited in EDGAR 200.318(c)(1), 200.318(c)(2), 200.112, FASRG 3.1.3, Texas State Law and TPASS Rule (34 Texas Administrative Code 20.41).

- 2.1 WYLIE ISD employees may not:
  - 2.1.1 Participate in any purchasing knowing that the employee, or member of that employee's immediate family, has an actual or potential financial interest in the purchasing including, but not limited to, prospective employment. The term "participate" includes, but not limited to, decision making, approval, denial, recommendation, giving advice, investigation or similar action.
  - 2.1.2 Solicit or accept anything of value from an actual or potential vendor.
  - 2.1.3 Be employed by, or agree to work for, a vendor or potential vendor.
  - 2.1.4 Knowingly disclose confidential information for personal gain.
- 2.2 A former employee who ceases service or employment with WYLIE ISD on or after January 1, 1992, may not represent any person or receive compensation for services rendered on behalf of any person regarding a particular matter in which the former employee participated during the period of employment, either through personal involvement or because the case or proceeding was a matter within the employee's official responsibility. (Texas Government Code 572.054)
- 2.3 A vendor or potential vendor may not offer, give, or agree to give a WYLIE ISD employee anything in excess of \$25 value.
- 2.4 If a violation occurs:
  - 2.4.1 Person involved shall promptly file a written statement concerning the matter with an appropriate supervisor.
  - 2.4.2 Person may also request written instructions for disposition of the matter.
- 2.5 If an actual violation occurs or is not disclosed and remedied:
  - 2.5.1 The employee involved may be reprimanded, suspended, or dismissed.
  - 2.5.2 The vendor may be barred from receiving future purchases and/or have any existing purchase canceled.

2.6 Under law, employees and Board Members of WYLIE ISD can have any ethics question reviewed and decided by the Texas Ethics Commission.

2.7 All WYLIE ISD Board Members.

2.8

### **3.0 Approved Vendor**

This procedure defines the process for maintaining an approved vendor list. (FASRG 3.1.1,3.2.2.5)

3.1 All purchases must be made from an approved vendor.

3.1.1 Vendors include any individual or company from which the WYLIE ISD receives goods or services.

3.1.2 Excluded are stipends and mileage reimbursement.

3.2 Texas Education Code 44.031 states that in determining contract awards to vendors, the district shall consider:

3.2.1 The purchase price.

3.2.2 The reputation of the vendor and of the vendor's goods or services.

3.2.3 The quality of the vendor's goods or services.

3.2.4 The extent to which the goods or services meet the district's needs.

3.2.5 The impact on the ability of the district to comply with laws and rules relating to historically underutilized businesses.

3.2.6 The total long-term cost to the district to acquire the vendor's goods or services.

3.2.7 Any other relevant factor specifically listed in the request for bids or proposals, which could include:

3.2.8 Vendor response time.

3.2.9 Compatibility of goods/products purchased with those already in use in the district.

### 3.3

- 3.3.1 The New Vendor is approved by the Director/Principal, submitted to the Business Office.
- 3.3.2 Prior to entering into Skyward, verify that the new vendor is not listed on the Texas Comptrollers Debarred Vendor's list.
- 3.3.3 The vendor is added to the Skyward Vendor list.

## **4.0 Vendor Quality and Performance**

This procedure defines the process for maintaining quality vendors for purchases. (EDGAR 200.318(b), FASRG 3.1.1, 3.2.2.5)

- 4.1 When nonconforming products/services are received by an approved vendor, the business office will be notified.

## **5.0 Allocability of Costs**

This procedure defines the process for identifying allocability of WYLIE ISD'S costs to local, state, and federal dollars. (EDGAR 200.405)

A cost is allocable to a particular cost objective if the goods or services involved are chargeable or assignable to such cost objective in accordance with relative benefits received.

- 5.1 Costs are allocated on the Purchase Requisition form when items and/or services requested benefit more than one program based on the benefit to the program.
- 5.2 All activities which benefit from the District's indirect cost will receive an appropriate allocation of indirect costs.
- 5.3 Allocable costs will not be charged to any other Federal awards to overcome fund deficiencies, to avoid restriction imposed by law or terms of the Federal awards, or for other reasons.

## **6.0 Allowable Costs**

This procedure defines the process for identifying allowability of costs to WYLIE ISD'S local, state, and federal funds. (EDGAR 200.403, 200.302 (b)(7))

- 6.1 For costs to be allowable, they must meet the following factors:
  - 6.1.1 Necessary and reasonable for proper and efficient performance and administration.

6.1.1.1 Costs associated with State and Federal Grants are identified in the grant application and approved.

6.1.1.2 Local budgets are approved by the WYLIE ISD Board for allowable costs.

6.1.2 Be authorized or not prohibited under federal, state or local laws or regulations.

6.1.3 Is consistent with policies, regulations, and procedures that apply uniformly to awards and other activities of the WYLIE ISD.

6.1.4 Cannot be charged as both direct and indirect.

6.1.5 Must also be allowable according to the generally accepted accounting principles.

6.1.6 Must not be included as a cost or used to meet cost sharing or matching requirements of any other federal award.

## **7.0 Necessity of Costs**

This procedure defines the process for WYLIE ISD to identify necessary costs to local, state, and federal programs. (EDGAR 200.403/404)

7.1 A cost is necessary for proper and efficient performance of state/federal grants and local programs.

7.2 Federal and state grants require specific objectives to accomplish the intent of federal and/or state dollars.

7.2.1 WYLIE ISD identifies tasks to accomplish objectives within the grant applications.

7.2.2 Necessary costs are identified in the grants to implement activities to accomplish the objectives.

7.3 Local programs are identified based on the district's needs.

7.4 WYLIE ISD identifies all programs in their Comprehensive Needs Assessment.

7.5 Employees identify the tasks associated with the program on the Purchase Requisition form.

## **8.0 Reasonableness of Costs**

This procedure defines the process for WYLIE ISD to identify reasonableness of costs to local, state, and federal programs (EDGAR 200.404). A cost is reasonable if, in its nature and amount, it does not exceed that which would be incurred by a prudent person under the circumstances prevailing at the time the decision was made to incur the cost.

8.1 Before making a purchase, the purchaser will:

8.1.1 Determine if the cost is of a type generally recognized as ordinary and necessary for the operation of the governmental unit.

8.1.1.1 Costs associated with state and federal grants are identified in the grant application and approved.

8.1.1.2 Local budgets are approved by the WYLIE ISD Board of Trustees for allowable costs.

8.1.2 Consider the restraints or requirements imposed by such factors as: sound business practices; arm's length bargaining; federal, state, and other laws and regulations; and, terms and conditions.

8.1.3 Research market prices for comparable goods or services.

8.1.4 Assure that the purchase adheres to Texas Government Code and Texas Education Agency's Financial Accountability Reporting Standard Guide resulting in all purchases being made at the best value.

8.1.5 Consider if the purchase will be prudent in the circumstances considering their responsibilities to the governmental unit, its employees, the public at large, and the Federal Government.

8.1.6 Determine that the purchase will not be a conflict of interest.

## **9.0 Legal Requirements/Local Requirements**

9.1 The business office will make the initial determination as to whether competitive bidding is required. A bid is required when over the course of a twelve-month period; the district will spend in excess of the competitive bidding thresholds for the same or similar commodities/items or services other than construction. Local/state policy dictates the requirements for purchases of similar commodities/services valued under \$50,000.00. Exceptions to this rule are as follows:

- Sole/only source items that have no reasonable equivalent and are, in fact, available only from one source, and captive replacement or component parts for equipment repair.
- Emergencies that arise out of an accident or other unforeseen occurrence or condition where delay would endanger the public welfare such as a sewer and water failure, gas leaks, light and power failure, fuel shortage, transportation delay, fire and health hazards, etc. The business office should be contacted so that they can instruct you on the best procedures to follow in this situation.
- State/County Contracts
- Purchases from a Correctional Institution (TDCJ)
- Purchases from an Inter-local Agreement with a Purchasing Cooperative (HCDE, TCPN, TIPS, NCPA etc.)
- Purchases from a State Purchasing Cooperative (TASB, TBPC, HGAC, etc.)
- Purchases to match an existing product such as replacement uniforms for band, choir, athletics, etc.
- Professional services such as attorneys, fiscal advisor fees, architects, physicians, certified public accountants and engineers.

Purchases of similar commodities/services valued at \$50,000.00 or more in the aggregate during a twelve-month period require a competitive bid processed in the business office and approved by the WYLIE ISD Board of Trustees (BOT).

- 9.2 Orders must not be split to circumvent any of the above requirements. A trustee, officer, agent, or employee of a school district who intentionally, recklessly, or with criminal negligence makes or authorizes split, separate, sequential, or component purchases with intent to avoid the competitive bidding requirements commits an offense. The offense is a Class B misdemeanor and is an offense involving moral turpitude.
- 9.3 District Policy CH (Local), states, “Persons making unauthorized purchases shall assume full responsibility for all such debts.”
- 9.4 No personal purchases of any nature may be made through or from the District.

## **10.0 Purchasing Methods**

The following methods outline how services and/or products may be purchased by WYLIE ISD. (EDGAR 200.318(d), 200.320 (c)(d)(f), FASRG 3.3.3.1, Texas Government Code)

10.1 Purchasing methods available are:

10.1.1 Inter-Local Contracts

10.1.2 Competitive Bidding

10.1.3 Emergency Purchases

10.1.4 Proprietary Purchase

10.1.5 Professional Services

10.1.6 Consulting Services

10.1.7 Competitive Sealed Proposals/Request for Proposal

10.1.8 Sole Source

10.1.9 Quotes

## **11.0 Purchasing Guidelines**

The District's procedures must avoid acquisition of unnecessary or duplicative items. Consideration should be given to consolidating or breaking out procurements to obtain a more economical purchase. Where appropriate, an analysis will be made of lease versus purchase alternatives, and any other appropriate analysis to determine the most economical approach. This procedure outlines the process of how services and/or products are purchased by WYLIE ISD business office. (EDGAR 200.318(d), FASRG 3.3.3.1)

11.1 When employees of WYLIE ISD need services and/or products, they must complete a Purchase Requisition form.

11.2 When the secretary receives the Purchase Requisition form, he/she must determine the best way to acquire the services and/or products.

11.3 When possible all purchases are made through inter-local contracts.

11.4 If items and/or services are not available through an inter-local contract, the secretary gathers quotes.

- 11.5 Some goods and/or services (depending on their nature) may be restricted to a(n):
  - 11.5.1 Emergency Purchases
  - 11.5.2 Proprietary Purchases
  - 11.5.3 Professional Services
  - 11.5.4 Consulting Services
  - 11.5.5 Sole Source
- 11.6 When goods and/or services are requested and exceed \$50,000 the following procedures must be completed:
  - 11.6.1 Competitive Sealed Proposals/Request for Proposal
  - 11.6.2 Competitive Bidding

## **12.0 Competitive Bidding**

This procedure defines the process for obtaining competitive bids to stimulate competition and obtain the lowest practical price for the work, service and/or items(s) needed. (EDGAR 200.319(a), FASRG 3.2.3.1, Texas Government Code 2155.062(a)(3) and 2156.061) Refer to FASRG Appendix 1, The State of Texas Procurement Manual, State of Texas Contract Management Guide.

- 12.1 The competitive bidding process requires that bids be evaluated and awards made based solely upon bid specifications, terms, and conditions contained in the request for bids document, and according to the bid prices offered by vendors and pertinent factors that may affect contract performance. Once a determination has been made that a competitive bid must be in place (similar commodities/services valued at \$50,000 or more in the aggregate during a twelve-month period) in order to purchase goods/services for the District, the business office will require information from the budgetary authority making the purchase in order to advertise for the bid.
- 12.2 The business office or designated person prepares a bid package for mail out to approved vendors allowing time for an accurate response, typically not less than three weeks. A request for bids must contain the following elements:
  - 12.2.1 Purchase description or specifications covering the item(s) to be obtained.
  - 12.2.2 Work and/or services needed.
  - 12.2.3 Terms and conditions for the proposed bid contract.

12.2.4 Time and place for opening bids and other provisions.

12.3 The bid process involves:

12.3.1 Development of clear specifications.

12.3.1.1 Bid specifications are the listing of reasonable standards and limitations which bidders are obliged to observe.

12.3.1.2 A specification will include a description of the required item, the characteristics or functions of the item, and the terms and conditions under which the procurement will be made.

12.3.1.3 Specifications must be drafted to allow vendors supplying reasonably equivalent items to compete on an equal basis. Specifications should not be so vague that bidders do not have enough information on which to draw intelligent bids nor should they be unduly restrictive.

12.3.1.4 Specifications that tend to favor a particular bidder, not for any reason in the public interest, but rather to ensure the award of the contract to a particular vendor are improper.

12.3.1.5 If the brand name represents an industry wide standard, the brand name product may be specified as long as the specifications provide an "equivalency clause", that is, a statement that products reasonably equivalent to the standard are acceptable.

12.3.2 Advertising for competitive bids.

12.3.2.1 All bids must be advertised in a local newspaper one a week for two separate weeks to determine any and all vendor wishing to respond.

12.3.3 Responding to vendor questions.

12.3.3.1 Description of work or services needed.

12.3.3.2 Terms and conditions for the proposed bid contract.

12.3.3.3 Time and place for opening bids and other provisions.

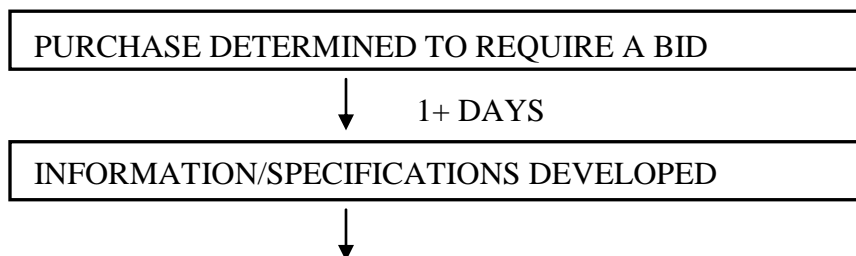

12.3.4 Procedures for receiving, opening and tabulating the bids.

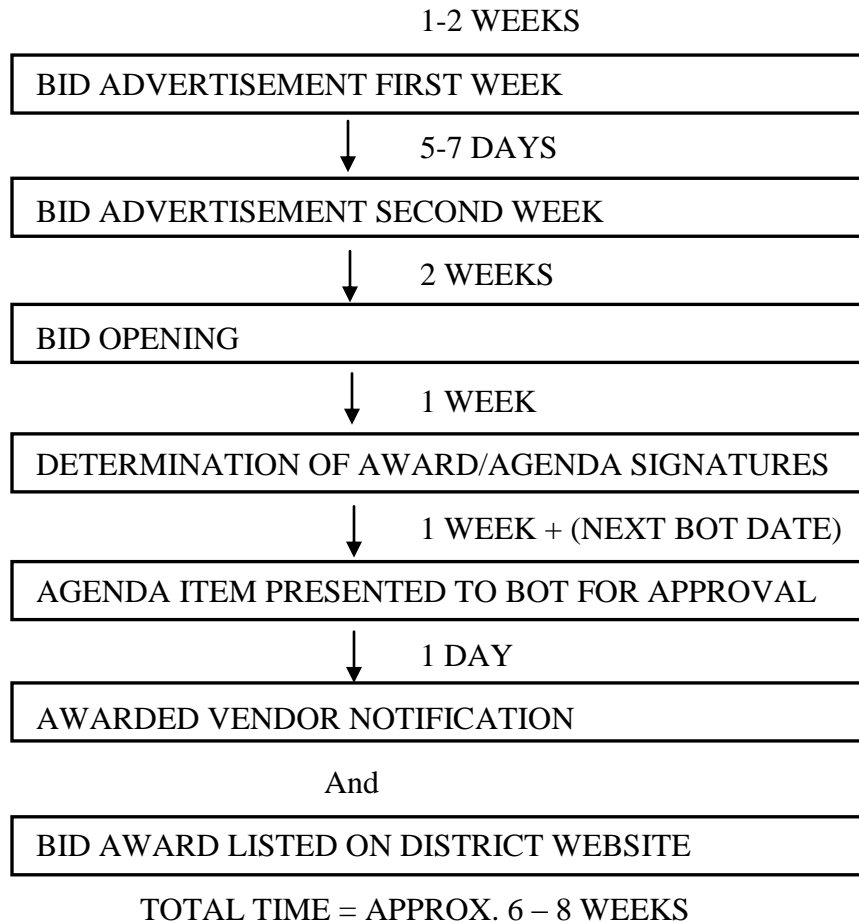

12.3.4.1 Bid documents are received in the business office and are date stamped and left unopened in a secure location until the advertised bid opening date and time.

- 12.3.4.2 Bid documents are publicly opened and tabulated.
- 12.3.4.3 All interested parties may attend the bid opening.
- 12.3.5 Analysis of the bids to ensure compliance with all legal requirements, bid specifications, terms and conditions as contained in the request for bids document, as well as, bid prices and pertinent factors that may affect contract performance.
- 12.3.6 Recommending the vendor(s) for bid award.
  - 12.3.6.1 Bids may be awarded as an “all or none” bid giving all items awarded to one vendor or by line item award to multiple vendors.
  - 12.3.6.2 Tie bids will be determined by coin toss and listed as such on the Tabulation of Bids unless one is a local vendor. Local vendors are given priority over out-of-city and out-of-state vendors.
  - 12.3.6.3 After bids have been opened and tabulated by the superintendent’s office, a copy of the Tabulation of Bids will saved by the superintendent.
- 12.3.7 Award of the bid by the Board of Trustees (BOT).
  - 12.3.7.1 A legally posted agenda for a meeting of the Board of Trustees will indicate the consideration of awarding the bid.
  - 12.3.7.2 Board of Trustees will review the Tabulation of Bids and any supporting documentation.
  - 12.3.7.3 Board of Trustees will award the bid to the successful bidder.

Timeline for Bid Process

The following timeline is an approximation for estimating the length of time to allow for the bid process.

**13.0 \$50,000 or more in the aggregate for each 12-month period**

All District contracts, except contracts for the purchase of produce or vehicle fuel, valued at \$50,000 or more in the aggregate for each 12-month period, shall be made by the method that provides the best value for the District:

- 13.1 Competitive bidding.
- 13.2 Competitive sealed proposals.
- 13.3 A request for proposals for services other than construction services.
- 13.4 An inter-local contract.
- 13.5 The reverse auction procedure as defined by Government Code 2155.062(d).
- 13.6 The formation of a political subdivision corporation under Local Government Code 304.001.

*Education Code 44.031(a)*

**14.0 Informal Price Quotations**

This procedure defines the process for obtaining quotes for purchases from \$3,000.01 to \$50,000.00 (EDGAR 200.320(a)(b), FASRG 3.2.3.7, Texas Procurement Manual). WYLIE ISD follows procurement by EDGAR defined small purchase procedures.

- 14.1 When goods and/or services are requested and not available through an inter-local contract, the secretary is required to gather quotes.
- 14.2 Quotes may be obtained by fax, email, telephone, or internet research. Current pricing must be obtained from three sources quoting the same specifications.
  - 14.2.1 If a vendor is unable to meet those specifications, another vendor should be contacted if possible.
  - 14.2.2 If another vendor is not available, then the vendor not able to meet the specifications will be accepted.
- 14.3 Award of the quotation must be based on what is best for the district.
  - 14.3.1 If a vendor is disqualified (not meeting specifications), a brief statement indicating the reasons must be attached.
  - 14.3.2 Informal quotations do not require Board of Trustee approval.

## **15.0 Inter-local Contracts**

This procedure defines the process for purchases using Inter-local Contracts to foster greater economy and efficiency. (EDGAR 200.318(e), FASRG 3.2.3.4)

- 15.1 WYLIE ISD has contracted or agreed with other local governments to purchase goods and any services reasonably required for the installation, operation, or maintenance of the goods.
- 15.2 Requirements for inter-local contracts include:
  - 15.2.1 Authorization by the governing body of each party to the contract.

15.4 When the secretary receives the Purchase Requisition form for the goods and/or services requested, inter-local contracts are researched to determine if goods/services are available.

15.4.1 If items are not available through an inter-local contract the purchasing agent must proceed to obtaining quotes for purchases.

**16.0 Sole Source** (EDGAR 200.320(f), FASRG 3.2.3.6, Texas Education Code Subchapter B., Sec. 44.031 (j)(k))

This procedure defines how a sole source vendor must be validated prior to the purchase procedure taking place. Procurement by noncompetitive proposals is procurement through solicitation of a proposal from only one source and may be used only when one or more of the following circumstances apply:

The item is available only from a single source.

The public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation.

The Federal awarding agency or pass-through entity expressly authorizes noncompetitive proposals in response to a written request from the District.

After solicitation of a number of sources, competition is determined inadequate.

16.1 When a Purchase Requisition form is completed for a sole source, it must have the following documents attached:

16.1.1 A firm price quotation from sole source.

16.1.1.1 Quoted prices must be good for thirty (30) days.

16.1.1.2 Quoted prices must be inclusive of all cost including freight.

16.1.1.3 Quoted prices must be on Vendor letterhead.

16.2 Once the campus secretary receives the Purchase Requisition form, and quote, the Skyward purchasing process will be followed.

## **17.0 Purchasing Process**

17.1 There are gifts and relations from vendors that are unacceptable for district officials and district employees.

17.1.1 School district officials and employees cannot accept anything of value from a vendor, such as personal gifts or gratuities, which may be construed to have been given to influence the purchasing process. **“Gift to a Public Servant” is a Class A misdemeanor offense if the recipient is a governmentalemployee who exercises some influence on the purchasing process of the governmental entity.**

17.1.2 If a board member or member of their immediate family has a financial interest in a business entity(s), they are required to disclose this relationship through the execution of an affidavit.

17.1.3 Board members must abstain from voting on award of contracts to businesses in which they or their immediate family members have a financial interest.

## **18.0 Purchase Requisitions/Purchase Orders**

18.1 When an employee needs to purchase items, they must complete the Requisition Form.

18.2 The campus principal/director is then responsible to follow the procedures outlined in the Purchasing Guidelines.

9.2.1 Resulting documentation is attached to the Requisition Form.

18.3 Upon Campus Principal/Director's approval, the requisition is then submitted to the Superintendent.

18.4 Once the requisition has final approval, the requisition is converted to a Purchase Order.

18.5 The Purchase Order is printed for the order to be placed.

18.6 Upon arrival of the purchased item(s), the originator of the requisition will verify contents with the purchase order and attach it to the packing slip, invoice, and resulting documentation from the Purchasing Guidelines Procedures.

18.6.1 Submit all purchasing documents to the business office.

## **19.0 Micro-Purchases**

The Procurement by Micro-Purchase may be the most frequently used method due to the frequent purchase of goods or service that are less than \$3,000. The district shall purchase goods and services under this method from among qualified vendors but will not competitively procure the micro-purchases unless, in the aggregate in a 12-month period (fiscal year), the district exceeds the state law thresholds or the district's threshold in Board Policy CH Legal or Local. The secretary shall distribute micro-purchases equitably among qualified vendors. EDGAR 200.67

19.1 When goods and/or services are requested and not available through an inter-local contract, the secretary will use the micro-purchase method if the purchase is under \$3,000.

19.2 Purchasing agent follows the Skyward purchasing process.

## **20.0 Emergency Purchases**

  - 20.2.2 Care should be taken that emergency purchases do not result from improper planning rather than a true emergency.
- 20.3 It is important that the district attempts to eliminate emergency purchases for nonemergency situations as much as possible and requires that all emergency purchases be fully justified.

## **21.0 Proprietary Purchase**

## **2.0 Salary Accruals**

All salary accruals (for work performed during the grant period) must be calculated based on each employee's total salaries, wages, applicable benefits and taxes, less the amount of payments each employee has actually received as of the last day of each program's fiscal year. Verification of this data is essential. The business office will verify salary information including first and last day of employment with each program Director/Principal before calculating salary accruals.

## **3.0 Salary Accruals – Summer School Teachers**

Special attention should be given to summer school teacher salaries and related expenditures. Since their salaries may relate directly to the expiration of a program, and/or even cross program fiscal years, timelines for reporting expenditures for them is very important to submitting accurate fiscal year end reports.

#### **4.0 Purchase Orders**

Cut-off dates for purchase orders should ensure that all materials are received in time to be properly recorded. Purchasing requirements and procedures vary among programs. Each Program Director/Principal should monitor this activity to ensure compliance with the program's intent.

5.1.3 Corrections shall be sent to the business office as soon as possible, but no later than the last day of the program's fiscal year end. This will allow time for adjustments to be made prior to submission of the Final Expenditure Report.
